

## Bright Green Announces Filing of Registration Statement for Proposed Direct Listing of its Class A Common Stock

March 29, 2022

GRANTS, N.M., March 29, 2022 (GLOBE NEWSWIRE) -- Bright Green Corporation ("Bright Green"), one of the very few companies selected by the US government to grow, manufacture, and sell, legally under federal and state laws, cannabis and cannabis-related products for research, pharmaceutical applications and export, today announced it has publicly filed a registration statement on Form S-1 with the U.S. Securities and Exchange Commission (the "SEC") relating to the proposed direct listing of its common stock. Bright Green has applied to list its common stock with The Nasdaq Stock Market under the ticker symbol "BGXX."

A copy of the prospectus related to the registration statement, when available, may be obtained by visiting the SEC website or by emailing Bright Green's Investor Relations department at [BrightGreenIR@edelman.com](mailto:BrightGreenIR@edelman.com).

A registration statement relating to these securities has been filed with the SEC but has not yet become effective. These securities may not be sold, nor may offers to buy be accepted, prior to the time the registration statement becomes effective. This announcement does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

### About Bright Green

Bright Green is one of the very few companies selected by the US government to grow, manufacture, and sell, legally under federal and state laws, cannabis and cannabis-related products for research, pharmaceutical applications and export. Our conditional approval based on already agreed terms from the U.S. Drug Enforcement Administration gives us the opportunity to advance our vision of improving quality of life across a broad spectrum of demographics through the opportunities presented by cannabis-derived therapies.
